NOTICE

READ CAREFULLY REGARDING A CHANGE IN OCCUPANCY

Please contact the McMillen Engineering, Inc. (724-439-8110 or 1-800-242-1244) to schedule the inspection with a 48 hour notice:

1. All fees must be paid prior to inspection.
2. A *Certificate of Occupancy* cannot be issued without all required Inspector signatures.

INSPECTION REQUIREMENTS:

The following items will be inspected for compliance at a minimum with the ***most recently adopted International Building Code, International Existing Building Code, ANSI ICC A117.1-2009 Accessible and Usable Buildings and Facilities (and as amended)***. Copies of these codes are available through the International Code Council by visiting their website at www.iccsafe.org.

Based on the type of occupancy use, there is a possibility that additional inspection items may be required.

- 1) ADA Accessibility: Accessible parking, accessible path, accessible restroom & facilities, accessible egress/and signage with raised lettering and braille at exists, restrooms, and major interior rooms.
- 2) EXIT Signage: installed and illuminated at egress exits.
- 3) Smoke Detectors: installed and located in all required locations and functioning properly.
- 4) Emergency Lights: are functioning and an adequate amount are provided to illuminate all egress paths.
- 5) Fire Extinguishers: provide the correct type, size, quantity, and existing extinguishers are current with the inspection tag.
- 6) All existing plumbing, heating, air conditioning, and electrical systems are properly functioning.
